Hispanic or Latino	25,279	36,684	11,405	31%
Total	662,991	673,514	10,523	2%

Data Considerations

- The 2020 Census was conducted during a world-wide pandemic, which required the Census Bureau to make several adjustments to the operational plan.
- This is the first census to implement Differential Privacy (DP) as the Disclosure Avoidance System (DAS) to protect respondents' confidentiality.
- To-date no major errors have been uncovered, but the State Demographic Center will continue to monitor quality issues as more information becomes available.

Thank you!
